

Texas Association of School Resource Officers *Bridging the Gap between Cops and Kids*

We are excited to announce the ***Texas Association of School Resource Officers 8th Annual School Safety Conference*** on July 5-8, 2021 in San Antonio, Texas. This year we look to have a great number of participants from across the state, which include School Resource Officers, Educators, Juvenile Probation Officers, and service providers who work with youth. We are in a time in our country that school safety is a huge priority and this conference provides some of the best trainers from across the state and nation.

*During the conference, there are several opportunities for you to **donate items for raffle/ door prizes, sponsor events/items or provide cash donations.** Our goal is to provide the best possible training to ensure that our students in our schools are safe! We plan to host a social for all the participants, as well as Family Night. You are also welcome to sponsor refreshments or items, such as the lanyards or t-shirts (which we would add your logo to, provided to all participants).*

You can donate directly to one of the Executive Board members or Regional Directors.

We look forward to a great conference and hope that you will join us this year as we all work towards providing the best training to ensure school safety for all of our youth!
