

Zachary Apostolo

Running for Region 4 Director

Hello,

My name is Zachary Apostolo, and I am a candidate for the position of TASRO, Regional IV Director. I am currently a Mental Health Officer with the Cypress Fairbanks ISD Police Department and have held this position since April, 2022. I have also served as a Patrol Officer and Campus Officer during my tenure with Cy-Fair ISD, which began in April, 2017. During the course of my career I have been recognized by my agency for my service to the community which includes: A Chief of Police Commendation, Life Saving Award and Unit Citation Award.

If elected, my goal is to increase membership, expand mental health training opportunities through my experience and contacts, and work tirelessly to make TASRO the model for other state associations to emulate. I welcome the opportunity to work with other members of the TASRO board to serve our membership. I humbly ask for your vote and support to achieve this endeavor.

Thank you, Zachary Apostolo
